Attendance:

Attendance is a huge priority for all students at Barlby High School and we encourage all students to reach our attendance target of 97% throughout the academic year. Excellent attendance begins in the first week of term and as our Year 10 students begin their GCSE and vocational qualifications, we want them to build consistent attendance patterns from day one of the new school year. We know that attendance is the single most important factor in impacting GCSE outcomes; students with 95% attendance are twice as likely to achieve grade 5 in GCSEs in English and maths when compared to students with 90% attendance. Statistics show that if a student is absent in the first week they are significantly more likely to suffer from persistent absence as the year progresses, so it could not be more important to begin September with excellent attendance habits and build foundations for GCSE success. With only 16 school days in September, we want all students to aim for 100% and achieve their **#SeptemberAttendanceStreak**.

We ask for your support in ensuring that your child attends school every day unless they are genuinely unwell. Please avoid arranging holidays, appointments or other activities during school hours wherever possible. Students need to **#BeInToWin** and there are weekly, monthly and half termly rewards on offer for those who attend school every day. If you have any concerns about attendance or need support, please do not hesitate to contact the school. We are here to help and are committed to working with families to ensure every student can attend regularly and thrive.

The whole school team is busy preparing for the new term and we are looking forward to welcoming our returning students next week. If you have any queries, please contact Reception at school from Monday 7 September.

Yours sincerely

Mrs Welsh and Mrs Tanner-Smith
